Disused Railway & Road | Dubton | Hillside | Montrose | DD10 9EG

Offers Over £70,000

Located just North of Montrose on the outskirts of the very popular village of Hillside. The land for sale extends to around 2½ acres of ground and was part of the disused railway ground at Dubton Station. Included in the sale is the adjoining tarred road which runs the full length of the piece of ground approximately 250m. Nearby is the public sewer, water supply, electricity, and gas line. There is no current planning permission in place but the site has potential for development – dwelling house or small holding.

The road provides access to a number of residential properties and is sold subject to all and any rights of access which may exist. While it is understood that there are no formally constituted rights no warranty is given and prospective purchasers will be deemed to have satisfied themselves as to the position.
